# **WHAT IS BEANBOY ?**

Beanboy will create a platform to offer many utilities to their community. With having a Staking platform live on it's launch holders can start from day 1 to benefit of being a BeanBoy holder!

With offering 3 different kind of NFTs (with an usecase) short after launch the team of BeanBoy will keep working on his goal to build the project to become the New BSC gem.

With creating a solid community wich backens the BeanBoy movement to show the BSC-Chain that there are still the x1000 gems into the BNB-Network.
